

LICENSED EMPLOYEE EARLY RETIREMENT

The school district may offer an early retirement plan for full-time licensed employees as defined by the Master Contract. A licensed employee is eligible under the early retirement plan when the licensed employee:

- Submits a written resignation. The resignation may be contingent upon approval by the board of participation in the voluntary early retirement plan; and,
- Receives board approval of the licensed employee's application for participation in the early retirement plan, of the licensed employee's resignation and of the disbursement of early retirement incentive to the licensed employee.

Approval by the board of the licensed employee's early retirement application shall constitute a voluntary resignation. Approval by the board of the licensed employee's early retirement application shall also make the licensed employee eligible for disbursement of the early retirement incentive the sooner of July 1 following the licensed employee's approval for early retirement or a date mutually agreed upon by the school district and the licensed employee. Failure of the board to approve the licensed employee's early retirement application shall make the licensed employee's current contract with the board continue in full force and effect.

The early retirement incentive for each eligible licensed employee approved by the board will be based upon 150% of substitute pay multiplied by 30 days of unused sick leave, except for those employees who were "grandfathered" in by the Master Contract under the old retirement incentive which was based on the difference between the salary schedule base and the licensed employee's current salary less supplemental pay or extended contract pay shall be the lump sum amount of early retirement incentive the licensed employee will receive upon retirement.

Upon retirement, the licensed employee shall be eligible to continue participation in the school district's group insurance plan at the licensed employee's expense by meeting the requirements of the insurer. The employees must pay the monthly premium amount in full to the board secretary prior to the due date of the school district's premium payment to the insurance carrier.

This insurance coverage shall cease when the licensed employee/retiree reaches age sixty-five, secures other employment in which the employer provides insurance coverage, or dies. If dependent insurance coverage is carried, that coverage may continue beyond the employee's/retiree's sixty-fifth birthday for a period of up to five years or until the dependent reaches age sixty-five.

The board has complete discretion to offer or not to offer an early retirement plan for licensed employees. The board may discontinue or amend the school district's early retirement plan at any time.

LICENSED EMPLOYEE REDUCTION IN FORCE

The board has the exclusive authority to determine the appropriate number of licensed employees. A reduction of licensed employees may occur as a result of, but not be limited to, changes in the education program, staff realignment, changes in the size or nature of the student population, financial situation considerations, and other reasons deemed relevant by the board.

The reduction in licensed employees, other than administrators, will be done through normal attrition if possible. If normal attrition does not meet the necessary reduction in force required, the board may terminate licensed employees.

It shall be the responsibility of the superintendent to make a recommendation for termination to the board. The process for reduction in force shall be as follows:

- Endorsements and educational preparation within the grade level and subject areas in which the employee is now performing;
- Relative skills, ability and demonstrated performance;
- Qualifications for co-curricular programs; and
- Number of continuous years of service to the school district. This will be considered only when the foregoing factors are relatively equal between licensed employees.

Due process for terminations due to a reduction in force shall be followed.

LICENSED EMPLOYEE PROFESSIONAL DEVELOPMENT

The board encourages licensed employees to attend and participate in professional development activities to maintain, develop, and extend their skills. The board will maintain and support an in-service program for licensed employees. Professional development activities will include activities that promote and/or teach about compliance with applicable Iowa laws.

For all professional development programs the district requires employees to take, the district will provide to the employee notice indicating the section of the law, or rules adopted by the state board of education or board of educational examiners that the district determines requires the employee to participate in the professional development program.

Requests for attendance or participation in a development program, other than those development programs sponsored by the school district, are made to the superintendent. Approval by the superintendent must be obtained prior to attendance by a licensed employee in a professional development program when the attendance would result in the licensed employee being excused from their duties or when the school district pays the expenses for the program.

The superintendent will have sole discretion to allow or disallow licensed employees to attend or participate in the requested event. When making this determination, the superintendent will consider the value of the program for the licensed employee and the school district, the effect of the licensed employee's absence on the education program and school district operations and the school district's financial situation as well as other factors deemed relevant in the judgment of the superintendent. Requests that involve unusual expenses or overnight travel must also be approved by the board.

LICENSED EMPLOYEE FAMILY AND MEDICAL LEAVE NOTICE TO EMPLOYEES

**YOUR RIGHTS
UNDER THE
FAMILY AND MEDICAL LEAVE ACT OF 1993**

FMLA requires covered employers to provide up to 12 weeks of unpaid, job-protected leave to eligible employees for the following reasons:

- For incapacity due to pregnancy, prenatal medical care or child birth;
- To care for the employee's child after birth, or placement for adoption or foster care;
- To care for the employee's spouse, son or daughter, or parent, who has a serious health condition; or
- For a serious health condition that makes the employee unable to perform the employee's job.

MILITARY FAMILY LEAVE ENTITLEMENTS

Eligible employees with a spouse, son, daughter, or parent on active duty or call to active duty status in the National Guard or Reserves in support of a contingency operation may use their 12-week leave entitlement to address certain qualifying exigencies.

Qualifying exigencies may include attending certain military events, arranging for alternative childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment reintegration briefings.

FMLA also includes a special leave entitlement that permits eligible employees to take up to 26 weeks of leave to care for a covered servicemember during a single 12-month period. A covered servicemember is a current member of the Armed Forces, including a member of the National Guard or Reserves, who has a serious injury or illness incurred in the line of duty on active duty that may render the servicemember

medically unfit to perform his or her duties for which the servicemember is undergoing medical treatment, recuperation, or therapy; or is in outpatient status; or is on the temporary disability retired list.

BENEFITS AND PROTECTION

During FMLA leave, the employer must maintain the employee's health coverage under any "group health plan" on the same terms as if the employee had continued to work. Upon return from FMLA leave, most employees must be restored to their original or equivalent positions with equivalent pay, benefits, and other employment terms.

Use of FMLA leave cannot result in the loss of any employment benefit that accrued prior to the start of an employee's leave.

JOB ELIGIBILITY REQUIREMENTS

Employees are eligible if they have worked for a covered employer for at least one year, for 1,250 hours over the previous 12 months, and if at least 50 employees are employed by the employer within 75 miles.

DEFINITION OF SERIOUS HEALTH CONDITION

A serious health condition is an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility, or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee's job, or prevents the qualified family member from participating in school or other daily activities.

Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity of more than 3 consecutive

calendar days combined with at least two visits to a health care provider or one visit and a regimen of continuing treatment, or incapacity due to pregnancy, or incapacity due to a chronic condition. Other conditions may meet the definition of continuing treatment.

USE OF LEAVE

An employee does not need to use this leave entitlement in one block. Leave can be taken intermittently or on a reduced leave schedule when medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the employer's operations. Leave due to qualifying exigencies may also be taken.

SUBSTITUTION OF PAID LEAVE FOR UNPAID LEAVE

Employees may choose or employers may require use of accrued paid leave while taking FMLA leave. In order to use paid leave for FMLA leave, employees must comply with the employer's normal paid leave policies.

EMPLOYEE RESPONSIBILITIES

Employees must provide 30 days advance notice of the need to take FMLA leave when the need is foreseeable. When 30 days notice is not possible, the employee must provide notice as soon as practicable and generally must comply with an employer's normal call-in procedures.

Employees must provide sufficient information for the employer to determine if the leave may qualify for FMLA protection and the anticipated timing and duration of the leave. Sufficient information may include that the employee is unable to perform job functions, the family member is unable to perform daily activities, the need for hospitalization or continuing treatment by a health care provider, or circumstances supporting the need for military family leave. Employees also must inform the employer if the requested leave is for a reason for which FMLA leave was previously taken or certified. Employees also may be required to provide a certification and periodic recertification supporting the need for leave.

EMPLOYER RESPONSIBILITIES

Covered employers must inform employees requesting leave whether they are eligible under FMLA. If they are, the notice must specify any additional information required as well as the employees' rights and responsibilities. If they are not eligible, the employer must provide a reason for the ineligibility.

Covered employers must inform employees if leave will be designated as FMLA-protected and the amount of leave counted against the employee's leave entitlement. If the employer determines that the leave is not FMLA-protected, the employer must notify the employee.

UNLAWFUL ACTS BY EMPLOYERS

FMLA makes it unlawful for any employer to:

- Interfere with, restrain, or deny the exercise of any right provided under FMLA;
- Discharge or discriminate against any person for opposing any practice made unlawful by FMLA or for involvement in any proceeding under or relating to FMLA.

ENFORCEMENT

An employee may file a complaint with the U.S. Department of Labor or may bring a private lawsuit against an employer.

FMLA does not affect any Federal or State law prohibiting discrimination, or supersede any State or local law or collective bargaining agreement which provides greater family or medical leave rights.

NOTE: FMLA section 109 (29 U.S.C. § 2619) requires FMLA covered employers to post the text of this notice. Regulations 29 C.F.R. § 825.300(a) may require additional disclosures.

 - d. a statement notifying employees that they must pay and must make arrangements for paying any premium or other payments to maintain health or other benefits.

B. Eligible employees. Employees are eligible for family and medical leave if three criteria are met.

The second health care provider cannot, however, be employed by the school district on a regular basis.

(3) If the second health care provider disagrees with the first health care provider, then the school district may require a third health care provider to certify the serious health condition. This health care provider must be mutually agreed upon by the employee and the school district and paid for by the school district. This certification or lack of certification is binding upon both the employee and the school district.

c. Medical certification will be required fifteen days after family and medical leave begins unless it is impracticable to do so. The school district may request recertification every thirty days. Recertification must be submitted within fifteen days of the school district's request.

- A period of incapacity (i.e., inability to work, attend school or perform other regular daily activities due to the serious health condition, treatment for or recovery from) of more than three consecutive calendar days, including any subsequent treatment or period of incapacity relating to the same condition, that also involves:
 - Treatment two or more times by a health care provider, by a nurse or physician's assistant under direct supervision of a health care provider, or by a provider of health care services (e.g., physical therapist) under orders or, or on referral by, a health care provider; or
 - Treatment by a health care provider on at least one occasion which results in a regimen of continuing treatment under the supervision of the health care provider.
- Any period of incapacity due to pregnancy or for prenatal care.

 - Requires periodic visits for treatment by a health care provider or by a nurse or physician's assistant under direct supervision of a health care provider;

- A period of incapacity which is permanent or long-term due to a condition for which treatment may not be effective. The employee or family member must be under the continuing supervision of, but need not be receiving active treatment by, a health care provider. Examples include Alzheimer's a severe stroke or the terminal stages of a disease.
- Any period of absence to receive multiple treatments (including any period of recovery from) by a health care provider or by a provider of health care services under orders of, or on referral by, a health care provider, either for restorative surgery after an accident or other injury, or for a condition that would likely result in a period of incapacity of more than three consecutive calendar days in the absence of medical intervention or treatment, such as cancer (chemotherapy, radiation, etc.), severe arthritis (physical therapy), kidney disease (dialysis).

A regimen of continuing treatment that includes the taking of over-the-counter medications such as aspirin, antihistamines, or salves; or bed rest, drinking fluids, exercise and other similar activities that can be initiated without a visit to a health care provider, is not, by itself, sufficient to constitute a regimen of continuing treatment for purposes of FMLA leave.

LICENSED EMPLOYEE FAMILY AND MEDICAL LEAVE DEFINITIONS

- Conditions for which cosmetic treatments are administered (such as most treatments for acne or plastic surgery) are not "serious health conditions" unless inpatient hospital care is required or unless complications develop. Ordinarily, unless complications arise, the common cold, the flu, ear aches, upset stomach, ulcers, headaches other than migraine, routine dental or orthodontia problems, periodontal disease, etc., are examples of conditions that do not meet the definition of a serious health condition and do not qualify for FMLA leave. Restorative dental or plastic surgery after an injury or removal of cancerous growths are serious health conditions provided all the other

conditions of this regulation are met. Mental illness resulting from stress or allergies may be serious health conditions, but only if all the conditions of this section are met.

- Substance abuse may be a serious health condition if the conditions of this section are met. However, FMLA leave may only be taken for treatment for substance abuse by a health care provider or by a provider of health care on referral by a health care provider. On the other hand, absence because of the employee's use of the substance, rather than for treatment, does not qualify for FMLA leave.
- Absence attributable to incapacity under this definition qualify for FMLA leave even though the employee or the immediate family member does not receive treatment from a health care provider during the absence, and even if the absence does not last more than three days. For example, an employee with asthma may be unable to report for work due to the onset of an asthma attack or because the employee's health care provider has advised the employee to stay home when the pollen count exceeds a certain level. An employee who is pregnant may be unable to report to work because of severe morning sickness.

CLASSIFIED EMPLOYEE FAMILY AND MEDICAL LEAVE NOTICE TO EMPLOYEES

**YOUR RIGHTS
UNDER THE
FAMILY AND MEDICAL LEAVE ACT OF 1993**

FMLA requires covered employers to provide up to 12 weeks of unpaid, job-protected leave to "eligible" employees for certain family and medical reasons. Employees are eligible if they have worked for a covered

MILITARY FAMILY LEAVE ENTITLEMENTS

Eligible employees with a spouse, son, daughter, or parent on active duty or call to active duty status in the National Guard or Reserves in support of a contingency operation may use their 12-week leave entitlement to address certain qualifying exigencies.

Qualifying exigencies may include attending certain military events, arranging for alternative childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment reintegration briefings.

FMLA also includes a special leave entitlement that permits eligible employees to take up to 26 weeks of leave to care for a covered servicemember during a single 12-month period. A covered servicemember is a current member of the Armed Forces, including a member of the National Guard or Reserves, who has a serious injury or illness incurred in the line of duty on active duty that may render the servicemember medically unfit to perform his or her duties for which the servicemember is undergoing medical treatment, recuperation, or therapy; or is in outpatient status; or is on the temporary disability retired list.

BENEFITS AND PROTECTION

During FMLA leave, the employer must maintain the employee's health coverage under any "group health plan" on the same terms as if the employee had continued to work. Upon return from FMLA leave, most employees must be restored to their original or equivalent positions with equivalent pay, benefits, and other employment terms.

Use of FMLA leave cannot result in the loss of any employment benefit that accrued prior to the start of an employee's leave.

JOB ELIGIBILITY REQUIREMENTS

Employees are eligible if they have worked for a covered employer for at least one year, for 1,250 hours over the previous 12 months, and if at least 50 employees are employed by the employer within 75 miles.

DEFINITION OF SERIOUS HEALTH CONDITION

A serious health condition is an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility, or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee's job, or prevents the qualified family member from participating in school or other daily activities.

Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity of more than 3 consecutive calendar days combined with at least two visits to a health care provider or one visit and a regimen of continuing treatment, or incapacity due to pregnancy, or incapacity due to a chronic condition. Other conditions may meet the definition of continuing treatment.

USE OF LEAVE

An employee does not need to use this leave entitlement in one block. Leave can be taken intermittently or on a reduced leave schedule when medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the employer's operations. Leave due to qualifying exigencies may also be taken.

SUBSTITUTION OF PAID LEAVE FOR UNPAID LEAVE

Employees may choose or employers may require use of accrued paid leave while taking FMLA leave. In order to use paid leave for FMLA leave, employees

must comply with the employer's normal paid leave policies.

EMPLOYEE RESPONSIBILITIES

Employees must provide 30 days advance notice of the need to take FMLA leave when the need is foreseeable. When 30 days notice is not possible, the employee must provide notice as soon as practicable and generally must comply with an employer's normal call-in procedures.

Employees must provide sufficient information for the employer to determine if the leave may qualify for FMLA protection and the anticipated timing and duration of the leave. Sufficient information may include that the employee is unable to perform job functions, the family member is unable to perform daily activities, the need for hospitalization or continuing treatment by a health care provider, or circumstances supporting the need for military family leave. Employees also must inform the employer if the requested leave is for a reason for which FMLA leave was previously taken or certified. Employees also may be required to provide a certification and periodic recertification supporting the need for leave.

EMPLOYER RESPONSIBILITIES

Covered employers must inform employees requesting leave whether they are eligible under FMLA. If they are, the notice must specify any additional information required as well as the employees' rights and responsibilities. If they are not eligible, the employer must provide a reason for the ineligibility.

Covered employers must inform employees if leave will be designated as FMLA-protected and the amount of leave counted against the employee's leave entitlement. If the employer determines that the leave is not FMLA-protected, the employer must notify the employee.

UNLAWFUL ACTS BY EMPLOYERS

FMLA makes it unlawful for any employer to:

- Interfere with, restrain, or deny the exercise of any right provided under FMLA;
- Discharge or discriminate against any person for opposing any practice made unlawful by FMLA or for involvement in any proceeding under or relating to FMLA.

ENFORCEMENT

An employee may file a complaint with the U.S. Department of Labor or may bring a private lawsuit against an employer.

FMLA does not affect any Federal or State law prohibiting discrimination, or supersede any State or local law or collective bargaining agreement which provides greater family or medical leave rights.

NOTE: FMLA section 109 (29 U.S.C. § 2619) requires FMLA covered employers to post the text of this notice. Regulations 29 C.F.R. § 825.300(a) may require additional disclosures.
