"Beyond the Blue"

Michael Farley - 1973 Graduate of Bellevue High School

**Key Information:**

- Various service and humanitarian contributions for society
- Chief Executive Officer for Elk Hill in Virginia, which is an organization that enables children and families in crisis to transform overwhelming challenges into successful futures.
- Peace Corp member in the late 1970's, and still works with the Peace Corps. Michael created "Proper Walk" to raise awareness of the HIV/AIDS pandemic in Sub-Saharan Africa. "Proper Walk" was featured in the September 2005 issue of National Geographic Magazine, as it takes place over challenging terrain where wild animals and indigenous peoples are encountered.
- Michael is quoted saying, "If there is a last great African journey, this might be it: 160 miles of wildest Kenya, a trek done in the style of old explorers, a pack of seriously ornery camels, and one really good cause."
- Michael has received gubernatorial appointments, and has twice been elected president of both the statewide accrediting/advocacy body for specialized education facilities and the largest coalition of private providers in Virginia.
- Ultimately, Michael has shown a lifelong commitment to helping others through humanitarian efforts.
