Dancing and Learning

The Bellevue Elementary Music Program had a special event this week with a good turnout of both parents and students. The students showed their learning of various folk dances, and had parents and others join them in their dancing. It was great to have students sharing their learning with parents. Thanks for Victoria Bausman for her work on this as the teacher, the classroom teachers and students, and the Bellevue PAC for the spaghetti dinner that evening with the event.

Elementary Building Planning

Various staff members and the school board met with OPN architects Monday as we continue the process of planning the new 3-5 Bellevue Elementary School. Over 30 staff members, plus the board members and administration met with the group throughout the day. More information for our community will follow as we develop some initial plans to share and gather feedback.

Future Opportunities Fair

The Bellevue FBLA group held a “Future Opportunities Fair” for our students on Wednesday to share information school opportunities (clubs and organizations), plus job opportunities outside of school. It was an outstanding opportunity to gain information and have meaningful interactions with outside employers and others.
