Student Learning and Engagement

The National Honor Society induction was Wednesday night for students who were selected based upon the following characteristics: Scholarship, Leadership, Service, and Character.

Bellevue HS Career and Activities Fair

An outstanding Career and Student Activities Fair organized by the Bellevue FBLA was held at Bellevue High School on Wednesday for our students to visit with local employers, along with to learn more about student activity groups at school.

School of the Wild

Once again this year the 5th grade students are experiencing the “School of the Wild”. One day this week students worked to start their own fires (without matches), and then enjoyed a campfire with marshmallows. This is an exceptional learning experience for students as they learn many outdoor skills to enhance their learning and knowledge of the area around Bellevue and beyond.
