**Student Engagement**

It is exciting to our students engaged in their learning, and the following are only a few of the many times are students are engaged in their learning.

- Lego innovation in Mrs. Kellogg’s Makerspace at Bellevue Elementary
- Frosting sugar cookies in Ms. Trisha’s 4 year old preschool room (below)

•April is Global Volunteer Month, and Grace Recker of Bellevue FFA worked with the Outreach Program in coordinating a DIY (Do It Yourself) meal packaging event with other Bellevue FFA students. The meals that were packaged went to 3 different food pantries to help feed the food insecure (right).
