PK - 2 Cases = <6

3-5 Cases = <6

6-8 Cases = <6

9-12 Cases = <6

Staff = 0

Total PK-12 (students and staff) this week = <6

**Students and Learning**

Learning often extends beyond the classroom walls, and this was obvious this week for our 6th grade students on Tuesday, when they visited the River Museum in Dubuque. The main reason for the visit was for the students to see the belt driven machine shop that used to be located in Bellevue, but it extended well-beyond one exhibit and experience.

**Upcoming Events**

There are several upcoming events for the public and our students coming up, and some of these are highlighted on the next page.

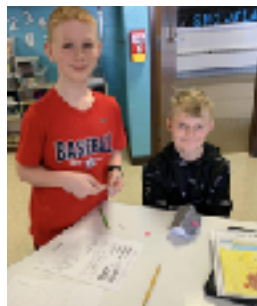

**Elementary Formal**

Last week Bellevue Elementary had a Kindergarten Formal for their students, with outstanding participation. Additionally, the Principal's Advisory Council also hosted a movie night the week before. It is outstanding to see student and parent involvement for our students and the district.

**3rd Grade Learning**

In 3rd grade Science, students made model paper homes, and then tested them with paper fans.

**YOU ARE INVITED!**
