Weekly COVID Update

Week Elem. MS/HS

Feb. 18 0 0

Feb. 11 <6 6

District Total for the School Year (21-22) = 89

3rd grade students are learning their math facts in a variety of manners, including "Beat the Calculator" as they are challenged to know their multiplication facts before the calculator gives them the answer.

2nd Grade Students worked on discovering what kind of properties different materials have, and how they could design a hat to protect them on a tropical island.

Bellevue FFA, with Blair Gerlach and some of her students, shared a few leadership presentations at the school board meeting this week that they are competing in officially on Monday at a Regional FFA Competition.

*The district cannot report the number of cases below 6.
