District Total for the School Year (21-22) = 93

An Outstanding Effort

Congratulations to the Bellevue Comet Boys Basketball Team for an outstanding effort on Monday at the State Tournament vs Grand View Christian. While the Comets were defeated in overtime by one point, their effort, character, and resilience are examples of champions. Also, thanks to all fans who attended the game (and pep rally/send-off) and cheered on the Comets.

Student Learning and Creativity

This month all kindergartners are being challenged to create a sculpture using only paper strips and glue in honor of Dr. Seuss. Additionally, last week 6th Grade Critical Thinking students invited Mr. Recker, Mr. Ernst and Mrs. Schroeder into their classroom to play games that they coded. Students also created game controllers, and the learning and excitement was abundant.
