School of the Wild

Once again this year our 5th grade students had the outstanding opportunity last week to participate in the "School of the Wild" with the Iowa Department of Natural Resources. This is an excellent opportunity for students to explore the outdoors and learn about a variety of things, including canoeing, starting a fire, orienteering, and much more.

Bellevue BIG Exhibit Night

On Wednesday Bellevue BIG students shared their passion-based work with elementary students during the school day, and then with the general community in the evening. "Projects" consisted a variety of creations and activities, including: App design, exercise equipment at Felderman Park, Unified Champions, Food Pantry, birdhouse construction, fishing pole and life jacket lending station and aquaponics.
