Bellevue Masonic Lodge Teacher of the Year - Bellevue CSD

The Bellevue Masonic Lodge officially recognized Bellevue PE/Health Teacher Mark Ruden as this year's recipient of the Teacher of the Year Award. Mark is an absolutely outstanding educator and person! During Mark's time in the district over the last 18 years, he has truly worked collaboratively with other instructors to revamp and modify the physical education and health program, and continues to adapt the program to the personalized needs of students in the district. Mark works to meet the individualized needs, interests, and passions of students while also meeting state requirements and needs for the program across all grade levels (K-12) in his work. Thanks to Mike Dempewolf (pictured to the right with Mr. Ruden - on the left), Bob Baugh, and others with the Bellevue Masonic Lodge.

Student Work in the Makerspace

Mrs. Ernst's students completed the nest challenge last week, where students built a nest that would hold eggs (jelly beans) balancing on a small container. Creativity in their individual work.
