Veteran's Day Program

It was an honor once again this year to provide the facilities for the Bellevue Veteran's Day Program on Friday, November 10. Attendance was once again great from our community. In addition to the program, the Bellevue HS Student Council offered a free lunch this year at the Bellevue American Legion (new location) where approximately 125 Veterans and their spouses took part. Also, the 1st grade students welcomed Veterans to the school by giving them a special note and singing their appreciation.

Learning from Beyond the Classroom

Jackson/ Clinton County agricultural educator Jenna Stevens showed the students in 3rd-grade the corn syrup that is left from a pop when the water is evaporated. Outstanding information to let students "see" what is in products. Also, 25+ of our high school CTE (Career and Technical Education) students visited John Deere, the Amazon Distribution Center, and visited with management at The Machine Shed Restaurant in the Quad Cities.
