**The Wizard of Oz**

Bellevue High School will be presenting the musical “The Wizard of Oz” this weekend. While this includes several high school students, it also includes many elementary students who serve as the “Munchkins” in the performance.

**Work-Based Learning**

The Bellevue CSD has a Work-Based Learning (WBL) program available to students to assist them in their career explorations, and in some cases to give them a “head-start” on entering a profession. The WBL coordinator, Mrs. Tracy Weber (also a business education teacher in the district) has developed and expanded this program over the last few years to meet the needs of students and make the experiences relevant and productive for the students. Below are several of the students involved (clockwise from the left): Adalynne Leach at the Andrew CSD, Kaden Guenther at Germaine Electric, Rylee Bevan at Beck Equine and Chiropractic, Maverick Duesing at Theisen Farms, Miranda Stroud at Next Level Dance, and Kaitlyn Green with Mrs. Jodi Deppe at Bellevue Elementary School.
