## Outside Resources

Students from Bellevue Elementary visit the Bellevue Public Library regularly, and recently Mrs. Anderson's 1st grade visited and were hosted by Mrs. Kilburg. Great learning experience for our students, and recognition of multiple places to get books and other resources in our community. Also, Tony from Jackson County Conservation shared information about bats with 1st grade students last week as they transformed their classroom into a "Bat Cave" this week.

Good Luck at State Country today to our Comet Boys Cross Country Team. Believe in the Blue. Believe in Bellevue.
