- July 28-August 4 "Non-Contact" Period for Students and School Coaches, etc.
- August 23 - TENTATIVE 1st day of school for the 2024-2025 school year

Jackson County Career Fair

Part of being a student at the Bellevue CSD is to learn about a variety of careers, and this week some of our students attended the Jackson County Career Fair in Maquoketa to learn about a variety of different options for careers that are in our county and nearby.

6th Grade Math Bee

Once again, Pam Van Vleck took a variety of students to Bettendorf to "test" their Math skills with students from across our area. The district believes that experiences like these are important for our students to "showcase" their skills and be proud of their accomplishments.

Learning about Goats

Several elementary students learned about "fainting goats" recently, and how sheep and goats work together to keep weeds down.

Construction Process

The construction of the new Bellevue Elementary 3-5 school started a few weeks ago with excavating and general "infrastructure" work for the building. The opening is slated for August of 2025.
